

Dear Valued Parents and Patients,

I hope this letter finds you in good health and spirits. It is with mixed emotions that I write to you today to share some important news regarding my medical practice. After over 30 plus years of practicing as a Pediatrician, I have come to a point in my career where I will be embarking on a new chapter by transitioning into retirement effective June 30, 2026.

First and foremost, I want to express my sincere gratitude for allowing me to be a part of your healthcare journey over the years. It has been an honor and privilege to provide you with the medical care and support your loved ones deserve. The relationships I have built with each one of you hold a special place in my heart, and I will forever cherish the memories we've created together.

This decision was not made lightly, as my dedication to your well-being has always been my top priority. It has been my true privilege, honor and pleasure to care for your children's health. My commitment to your health and wellness remains unwavering.

During this period of transition, I am pleased to announce that my esteemed colleagues, Drs. Berkowitz, Wong, Ahmed and Cohen, will be stepping in to care for the medical needs of your loved ones as of July 1. They bring a compassionate approach that aligns with the values of our practice. I have the utmost confidence in their abilities to provide you with the same level of care and attention that you have come to expect.

Starting July 1, 2026, any appointments that you have with me will be transferred to one of the above Doctors at the same date and time. Your care will continue seamlessly, ensuring a smooth continuation of your healthcare journey. If needed, you can call our office at 972-473-7777.

Between now and the end of June, I am looking forward to the opportunity to catch up with you during your Office Visits and hear about the wonderful milestones and achievements in your lives.

Thank you once again for entrusting me with your healthcare for all these years. It has truly been an honor to serve as your physician. I am excited to embark on this new phase in my life and look forward to staying connected with you in the years to come.

Wishing you continued health and happiness,

A handwritten signature in black ink, appearing to read "Goebel" followed by a stylized flourish.
